EXPERIENCE

Chennai Port | IN-PLANT TRAINING
Jan 2023 | Chennai, TN

　Basic Learning of network and networking and components used in networking.

PROJECT

Blog Website https://blog-website-u1lo.onrender.com
Dec 2023 | Chennai, TN

- Developed a Flask blog platform enabling users to securely manage posts. Implemented user authentication and responsive design for enhanced usability.
- Users can create, edit, and delete posts effortlessly. Ensured robust error handling and data validation for a smooth user experience. Deployed the application to a web server for online accessibility.

My Portfolio Website https://mohanraj252003.github.io/Portfolio/
Nov 2023 | Chennai, TN

- Developed and executed a dynamic portfolio website, highlighting key achievements, projects, and skills; optimized user experience and engagement, resulting in a 30% increase in time spent on the website.
- Includes a user-friendly contact form for seamless communication.

Lyrics Search Website https://mohanraj252003.github.io/Lyrics-search/
Nov 2023 | Chennai, TN

- Crafted a lyrics search website utilizing API integration for song lyric retrieval. Users can input song titles or artist names to fetch corresponding lyrics.
- Employed a clean and intuitive user interface for seamless interaction. Implemented error handling for invalid queries and responsive design for optimal viewing across devices. Deployed the website to ensure online accessibility.

High-Fidelity Prototype in Figma - Snack ordering app for movie theatre https://www.figma.com/file/
Sep 2023 – Oct 2023 | Chennai, TN

- Crafted a high-fidelity prototype for snack ordering app for movie theatre using Figma.
- Streamlined user-experience and interface for seamless snacks selection and ordering.

VOLUNTEER EXPERIENCE

NSS- VEC
Nov 2021 – Oct 2023 | VEC, Chennai
Contributed as a dedicated volunteer in NSS, participating in blood donation camp, Tharkaapu event and many more.
